## NEWS FROM COUNSELING AND PLACEMENT

Employers from government agencies and private businesses and industries are setting up on-campus interviews with students who plan to graduate this May. All faculty and staff are asked to urge members of the senior class to begin signing up for interviews now.

The Counseling and Placement Center also wants to establish a year round recruitment center on campus. In order for this plan to be successful, though, students will have to contact the Placement Office early in their senior year if they are to compete with students from larger universities which are better known to recruiters.

## SOME INTERESTING VISITORS...

This past week, Mr. Ove Bouhlin and Mr. Lars Lindstrand, both lecturers in special education at the Special Teachers Institute of Stockholm Teachers College in Stockholm, Sweden, visited the campus. Gallaudet was their first stop on a ten week tour of the United States observing teacher training programs and research projects in the education of the deaf.

During the coming week, a group of field consultants, teachers and teacher's aides from the Mid-Atlantic Regional Center for the Deaf and the Blind will tour the campus as part of a workshop for new personnel in the program.

On the same day, Thursday, October 14, the spouses of the 1971-1972 White House Fellows will be at Gallaudet. The Commission on White House Fellows sponsors an annual program for outstanding men and women between the ages of 25 and 35 to serve as special assistants to Cabinet members and other members of the Executive Office. After observing in the Pre-school, MSSD and a College classroom, the group will meet with some students, faculty and staff at the President's home.

## SENATOR HUGHES TO SPEAK

Harold E. Hughes, Senator from Iowa, will speak in the Auditorium on Thursday, October 14 at 7:30 p.m. on "Our Drug Oriented Society." Chairman of the Special Subcommittee on Alcoholism and Narcotics, the Senator is concerned with investigating the problems of alcoholism and drug abuse in the United States and establishing adequate programs for the treatment and rehabilitation of victims of the diseases.

This is the first in a series of lec-

tures sponsored by the Cultural Affairs Committee. Students, faculty, staff and their friends are invited to attend.

#### HOMECOMING WEEKEND: OCTOBER 16 & 17!

A full program is planned for Homecoming Weekend this Friday and Saturday. A Pep Rally is planned for Friday night at 7 p.m. in the Auditorium followed by a Rathskeller Party at 8:30. Saturday's events will begin at 10 a.m. with a soccer game with St. Mary's College. A float parade will follow the game. At 1 p.m. the Bisons will tackle the Rams from Virginia Commonwealth University. Saturday evening will be highlighted by the Homecoming Dance at the Sheraton Inn Northeast which will feature a live band and show. Further information about the dance can be obtained from the Homecoming Dance Chairman, David McKee. It is hoped that the faculty and staff will join the students and alums in the weekend activities.

#### ART EXHIBIT TO OPEN SUNDAY

Theodore Salazar will exhibit his recent paintings and drawings at the Washburn Arts Center beginning on Sunday, October 17 and continuing through Friday, November 5. The exhibit will include a number of media --- oils, water colors, pencil and pastels. Ted's paintings, sculpture and ceramics are in collections in California, Utah, Maryland and Virginia. He has also done some silverwork, and in 1969 he executed the silverwork in the Gallaudet College Mace for the inaguration of Edward Merrill.

An exhibit of his ceramics and sculpture is also planned for later in the year. All are welcome to attend the Open House in the Washburn Arts Center on Sunday, October 17 and Monday October 18 from 1-5 p.m. or to stop in anytime during the exhibit
